Revised Price Schedule

| Sr. No. | Item Description   | Total No. of battery required   | Specify Make/ Mode of quoted item. ('Amaron' or 'Panasonic' or 'Rocket batteries' or 'Sonnen' or 'GNB Absolyte') | Rate per set (in Rs.) | Taxes |        | Rate per set including taxes (Rs.) | <u>Any other charges (Rs.), if any, please specify</u> (like installation, delivery, labour charges etc.) |
|---------|--|---|--|-----------------------|-------|--------|------------------------------------|---|
|         |  |   |  |                       | In %  | In Rs. |                                    |   |
| 1       | 2V 200 AH SMF VRLA batteries for UPS   | 12 Sets for three stations (per station = 4 sets. Each set to contain 192 cells. Therefore 4 sets should contain 768 cells with mounting frames & inter connection) |  |                       |       |        |                                    |   |
| 2       | Total Amount including taxes and other charges for 12 sets <b>2V 200 AH SMF VRLA batteries</b> for UPS ( <i>New batteries</i> ) (in Rs.) <b>in figures (A)</b>               |   |  |                       |       |        |                                    |   |
| 3       | Buy back amount <b>per unit</b> of <b>12 V, 200 AH, VRLA battery</b> ( <i>Old batteries</i> ) including taxes and other charges (in Rs.) <b>(in figures &amp; words (B))</b> |   |  |                       |       |        |                                    |   |
| 4       | Total amount including buy back of per unit old battery (S.No(4)=S.No(2)-(3)) in figures (in Rs.)  |   |  |                       |       |        |                                    |   |
| 5       | Total amount including buy back of per unit old battery (S.No(4)=S.No(2)-(3)) in words (in Rs.)  |   |  |                       |       |        |                                    |   |

Note:

- i. The Bidder has to quote his price both in figure and words along with the make of item for which the rate is being given.
- ii. Price quoted should be inclusive of delivery, installation, & all other additional charges
- iii. If rates quoted are inclusive of tax, then specify the percentage of tax.
- iv. L1 rate will be arrived based on total amount inclusive of tax and other charges for 12 sets of battery after deduction of buy back rate per unit of old battery.
- v. Total amount of buy back of old batteries will be calculated based on total number of old batteries available at the site multiplied by unit rate mentioned above at S. No. 3, and accordingly same will be deducted from the total amount of new batteries at the time of placement of order.

Signature & Stamp of the Bidder
