Moving People, Sustaining Growth
Thiru M.C Sampath, Hon’ble Minister for Industries, visited the Underground Green Line Metro between Thirumangalam and Nehru Park Metro Rail Stations on 09.05.17.

The Hon’ble Minister inspected the works in progress at the metro stations and safety measures taken at the stations and facilities present in the metro stations.

Metro Rail utilizes;

1. Lowest carbon emission amongst various modes of mass transport.

2. Causes no air pollution in the city. Provides for very high passenger capacity.
Chennai Metro Rail App

This app provides the customers of metro service with plenty of useful information. Chennai Metro Rail app provides the customers of metro services with plenty of useful information that helps in using the metro services.

Following are the different sections in the app and the information available in them.

**Nehru Park Metro Station** is the 3rd metro station in the underground stretch on the Green Line of Phase I of Chennai Metro Rail Project.

This station is among the newly inaugurated underground metro station in the Green Line from Chennai Central to St Thomas Mount. This station services the neighborhoods of Egmore and Purasaiwakkam.

The station is located on Periyar EVR High Road also known as Poonamallee High Road which is one of the main arterial roads on Chennai connecting Maduravoyal bypass junction on the west end and Muthuswamy Bridge near Madras Medical College at Part Town in the East end.

The Nehru Park Metro Station is located below the Nehru Park and has brought a new dimension to the area in the form of a Public Transit leading to major changes in the urban environment in and around the neighborhoods of Egmore and Purasaiwakkam as well.

The station is situated next to several important places namely Sangam Multiplex, Kilpauk G3 Police Station, Nehru Park and Gengu Reddy Road and Sports Development Authority. Indian Squash Academy and Residential complexes to name a few.
