CHENNAI METRO RAIL LTD

INTRODUCTION OF ac 25 kV TRACTION

"WARNING TO ROAD VEHICLE USERS"

It is notified for information of the Public that in connection with introduction of 25 kV ac electric traction over the KOYAMBEDU DEPOT area of the Chennai Metro Rail, height gauges have been erected at level crossing available inside the depot with clear height of 4.67m above road level with a view to prevent loads of excessive height from coming into contact or dangerous proximity to live traction wire.

Public are hereby notified to observe the height specified above for the purpose of loaded vehicles crossing the electrified tracks inside the depot and to see that the loads carried in road vehicles do not infringe the height gauges under any circumstances.

The dangers of a load of excessive height are as follows: -

- i) Danger to the height gauge and consequential damages to the metro rail lines.
- ii) Danger to the materials or equipment carried or the vehicle itself.
- iii) Danger of fire and risk of life due to contact with or dangerous proximity to the conductors.
