Chennai: City residents can get to watch a Chennai Metro Rail mock-up at the Chennai Moffusil Bus Terminus (CMBT) in the next three to four days.

A Metro Rail spokesman said that the mock-up of

Metro Rail, which was manufactured in Sao Paulo, would be an added attraction at CMBT.

Currently, the mock-up, which arrived at the shores of Chennai on November 2012 has been kept under wraps. Now, with the venue being chosen, Metro Rail of-

ficials feel that this would generate interest and awareness among Chennaiites about Metro Rail.

The trial runs have already generated much enthusiasm among the people. They will be creating a fence before unveiling the mock-up for public, the spokesman said.
