

## Press Release

**Sub:** Chennai Metro Rail project is conferred with SKOCH Order of Merit Gold

The Chennai Metro Rail has added another feather to its cap with SKOCH Group conferring the SKOCH Order of Merit recognizing the organization's vision and governance for creating world-class passenger amenities as part of the Chennai's Metro Railway Phase I network. SKOCH Smart Governance Award is an initiative recognizing top performing government organizations and organizations working with the government recognizing the best practices and models of governance.

CMRL presented before the expert jury panel on the unique features, energy saving technologies adopted, green initiatives and speedy decision implemented through efficient governance in the Phase I of CMRL Project.

This SKOCH Order of Merit Gold recognizes CMRL initiatives and governance practices that have ability to adapt to future challenges and transform the urban infrastructure as part of upcoming Phase II.
