

## **Skoch order of merit conferred on CMRL**

Chennai: Recognising Chennai Metro Rail's efforts for creating passenger-friendly amenities for the completion of their Phase I network, the Skoch group, a think tank dealing with socio-economic issues, has conferred the Skoch order of merit on Chennai Metro Rail Limited. The order of merit is part of the Skoch Smart Governance Award which recognises organisations working with the government for displaying best practices and models of governance. The Chennai Metro Rail Limited presented its Phase I project which was based on energy saving technologies and green initiatives. This order of merit also recognises the practices used by CMRL in its forthcoming Phase II project.
