S. No.	Part	Section	Clause	Original Bid Condition/Bid Condition in Addendum-	Bidder's Query	Response
1	Part-2	Section-VI B	6.2.3	Focus Control: Auto focus Zoom Control: Motorized	<p>The specifications asked is of Box Camera with C/CS Mount lens. Functionally after Addendum-01, C/CS mount auto focus motorised lens is being asked which inclines the lens specifications towards single lens OEM i.e. 'Computar'. Functionally type of lens mounting does not have any impact towards functional requirement as it just defines the way lens to be fixed in camera and nothing as such superior functional requirement of the lens.</p> <p>We request to change mount type to C/CS or M12 mount for wider participation as none of the Indian CCTV OEMs are able to participate due to this change in clause in Addendum-01.</p> <p>Request to amend: Part 2, Section VI-B clause 6.2.3 varifocal lenses Table 6.2, 4.Table 6.2 Lens Mount : C/CS-mount to C/CS-mount to M12 mount</p>	Please refer Addendum-5
2	Part-2	Section-VI B	6.1.4.1	The OEM for CCTV system shall be registered in India with self-owned service centre without joint venture. The OEM shall have implemented end to end CCTV solution in metro environment.	<p>Metro and railway environment are similar and specifying on metro environment becomes restrictive for Indian CCTV OEMs to participate.</p> <p>Request to amend: The OEM for CCTV system shall be registered in India with self-owned service centre without joint venture. The OEM shall have implemented end to end CCTV solution in metro/railway environment.</p>	Tender condition prevails.
3	Part-2	Section-VI B	6.2.6.3 (Q)	Housing Arrangement : IP 66, NEMA 4 or better	<p>Nema 4 and IP 66 are equivalent and in other cameras like Dome and bullet either IP66 or IP66/NEMA 4 is asked. Only in PTZ both NEMA 4 and IP 66 are asked which being a mandatory foreign certification restricts participation for Indian CCTV OEMs. mes restrictive for Indian CCTV OEMs to participate.</p> <p>Request to amend: Housing Arrangement : IP 66 / NEMA 4 or better</p>	Please refer Addendum-5
4	Part-2	Section-VI B	6.2.6.3 (DD)	Approvals (Safety) CE,FCC and UL / BIS certified standards for Safety, EMC & Immunity	<p>Housing is a mechanical part and is not covered under BIS for certification, hence UL/BIS not applicable testing standard for housing.</p> <p>Request to amend: Approvals (Safety) CE,FCC certified standards for Safety, EMC & Immunity</p>	Please refer Addendum-5
