

A group of seven people, including men and women in professional attire, are standing on a stage. They are holding a long white banner with the Alstom logo and text. In the background, a large, modern metro train is displayed, heavily decorated with colorful flowers. The train is purple and white. The setting appears to be a factory or exhibition hall with a high ceiling and industrial lighting. A banner on the left side of the stage reads "ALSTOM HERE'S TO CROSSING ANOTHER REMARKABLE MILESTONE! Chennai Metro Train, Sri City, Sri City 1st December 2018".
