But Metro train services from Airport to Little Mount, St. Thomas Mount to Chennai Central, and Airport to

Chennai Central

will be operated as per schedule, and timings of trains on

these stretches will not be affected.

To compensate for this change in schedule, tempo traveller services will be operated to from Little Mount and AG-DMS between 6 am to 8 pm for the benefit of the public, added the official Chennai Metro Rail release.

The signalling test, which will occur at this stretch, will commence from December 7 and go on till December 22.
