

33,866 passengers travel by feeder services in Nov

TIMES NEWS NETWORK

Chennai: More than 33,000 passengers have utilized feeder services provided by metro rail in November. Of this, 27,562 passengers travelled by share autorickshaw services and 6,304 commuters utilized the share taxi facility.

As part of providing last-mile connectivity to metro rail passengers, CMRL had taken an initiative of providing feeder services through share auto and share taxi services at selected metro stations, a press release here said.

An analysis was made post reduction of fares to compare the before and after effects of revision of fa-

res. The comparison was between 1.11.2018 and 11.11.2018 (before revision of fares) and from 12.11.2018 to 30.11.2018.

A total of 10,274 passengers have utilized this service before the fare revision (01.11.2018 to 11.11.2018) in which 8,339 passengers have utilized share auto services and a total of 1,935 passengers have utilized the share taxi services. After the fare revision (12.11.2018 to 30.11.2018) a total number of 23,592 passengers have utilized the same service in which 19,223 passengers have utilized the share auto services and a total of 4,369 passengers have utilized the share taxi services, the release added.
