CHENNAI: As many as **2,528** government school students travelled in Metro **train in** the month of February **as part of** an educational trip. So far, **28,838** students from Government and Corporation Schools were benefited from this educational trip. An ongoing initiative, organised **by the** CMRL, it aimed at bringing an awareness to the students of Government Schools about the Metro Rail alignment in the city. CMRL has been undertaking monthly educational trips from Central Metro to Airport, AG-DMS to Airport and AG-DMS to Washermenpet for the students. The features of the Metro train and its stations **were** oriented during these trips. Several students from Government and Corporation Schools took part in these educational trips which commenced in June of the last year.
