**Chennai:** More than three lakh passengers have used share auto and share taxi services to and from metro rail stations in the past eight months.

Chennai Metro Rail Limited launched the services on a trial basis on August 11, 2018. Share autos are now operated from seven metro stations for a flat charge of ₹5 and share taxi services from six metro stations for ₹10. These services take passengers to and from metro stations, covering a radius of about 3km.

In March and April, as many as 12,834 people used share taxi services and around 74,395 passengers used share autos. TNN
