

Now metro to run services every 5 min

Chennai: For the benefit of passengers commuting by Metro rail and also to cater to increased passenger traffic in Washermanpet-Airport line (via LIC), Metro train services will be available every five minutes during peak hours- 8 am to 11 am & 5pm to 8pm, from Tuesday.

Likewise, metro train services will be available every 10 minutes during peak hours in the Chennai Central- St. Thomas Mount and in the inter-corridor from Chennai Central to Airport. Metro train services will be available every five minutes headway between Alandur to Chennai Central (via Koyambedu), an official release said. TNN
