

Metro cab services gain popularity

Chennai: In September alone, close to 50,000 commuters utilised the share auto and taxi services provided by Chennai Metro Rail for last-mile connectivity. The newly started cab services have also become increasingly popular as nearly 7,200 passengers utilised the same since their inception in August. In all, 5.34 lakh commuters have used the feeder services in 8 metro stations since August 2018, said an official release. The services are running on the designated feeder routes with a flat tariff of ₹10. ENS
