Press Release

Sub: Airtel 4G seamless mobile connectivity in Green Line and Blue Line - Reg

As part of providing seamless connectivity to Metro Passengers, Bharti Airtel (“Airtel”) has provided 4G data and voice service across Green Line and Blue Line at all stations except Chennai Central, Thousand Lights & LIC, which will be done in December first week.

Presently Jio Mobile Service is also available at all stations and tunnels in both Green Line and Blue Line except the 3 stations.

In addition to the above services, the following facilities are also available at Metro Stations namely;

Free Phone (Landline), CMRL has arranged “free to use” Telephone facility in all 19 underground stations for Metro passengers in case of urgency. These Phones are available in the “Customer Care” located in the Concourse area.

Passenger Emergency Telephone- two numbers per platform have also been provided at the Station Platforms to facilitate Passengers communicate with the Chennai Metro Rail staff in case of emergency
