

## **Invitation for Sealed quotations for supply of galvanized MS grating system to Chennai Central underground station of Chennai Metro Rail Phase 1**

---

The Chennai Metro Rail Limited (CMRL) is seeking offers from experienced vendors for supply of light weight grating system for closure of the vent shaft openings at Chennai Central (schematic enclosed for 4 shaft locations – order to be placed on parts or as whole). Sealed quotations are invited from manufacturers and agencies for supply of light weight grating system as per details mentioned below:

**Material:** Mild steel conforming to IS 2062 Gr A - Hot dipped galvanized (avg 85 microns)

**Type:** Industrial type Floor Gratings conforming to BS 4592 with frame bar 5mm thick, load bar at 5mm thick 30mm c/c and cross bars at 100mm c/c

**Use:** Suitable for handling pedestrian movement

**Erection:** Not in scope of the bidder. Only recommendations (if any) to be made.

**Measurement basis:** Gross area of grating supplied (Per sqm)

The bidder/manufacturer/agency should submit brochure for the quoted product and the vendor information as per attached format (Form 1) along with the quotation (Form 2). The cover for the sealed quotation/ brochure should have contact number for the representative who will be interested in attending the opening of quotations. However, such attendance is not mandatory.

The prices should be quoted in Indian Rupees with delivery of item to Chennai Central Metro station. Only L1 bidders shall be called for negotiation in case the rates are marked negotiable in Form 2.

The sealed quotations shall be addressed to **Chief General Manager (UG Construction), Chennai Metro Rail Limited, CMRL Depot, Koyambedu, Chennai 107**. Bidders are advised to send their sealed bid preferable in person within the stipulated time for submission. It shall be the responsibility of the tenderer to ensure that the sealed quotation reaches the office of the undersigned before the deadline of submission. Any offer brought by any person/ courier or any submission received through post after this deadline will not be considered. CMRL shall not be responsible for any postal delay. The date of opening shall be intimated to the bidders who have submitted their offers.

**Last date for submission of the sealed offer:** 22-Feb-2020

**Chief General Manager  
(UG Construction)**
