**CHENNAI**

Chennai Metro will soon build a multi-level car parking facility at the Thirumangalam Metro station to meet the increasing demand over the last few months.

According to CMRL officials, they are considering building a facility that can accommodate about 100 vehicles. "Every day, nearly 10,000 people use the station, and it is one of the busiest stations in Phase I. The parking lot gets filled quickly during peak hours and many commuters are disappointed when they don't find space to park. If this continues, we may lose traffic," said an official.

Thousands from Kolathur, Ambattur, Mogappair, Padi and neighbouring areas use the station to get

Every day, nearly 10,000 people use the Thirumangalam station.

to workplaces, said officials. There are also many who use the lot and walk down to VR Mall, sources said.

"There is some space allocated for commercial development on the station premises, and soon, it will be rented out to a firm. This multi-level parking space will be built adjacent to it," he added.
