

# Another feeder service to link Airport Metro to MEPZ

Facility will be available every half hour, at ₹20 per trip

STAFF REPORTER  
CHENNAI

To cater to more passengers, the Chennai Metro has now decided to operate an additional air-conditioned tempo traveller from Chennai Airport Metro station to MEPZ (Madras Export Processing Zone) from Tuesday, according to a press release.

The service will be available every half hour and passengers would have to pay ₹20 for a trip.

There are share-cars and tempo traveller facilities from Airport Metro station to Pammal besides four cars operating to MEPZ

The Chennai airport is one of the busiest stations with 10,000 passengers travelling through it every day and there are share-cars and tempo traveller facilities al-

ready from this station to Pammal besides four cars running from the station to MEPZ.

Hundreds of passengers from locations like Pammal, Pallavaram, Tambaram and MEPZ travel to the airport station and then take a metro to various locations in the city.

This apart, Chennai Metro have also been running share cars to several stations across the city.
