

# Alandur FOB to be inaugurated today

TIMES NEWS NETWORK

**Chennai:** A foot over-bridge (FOB) that will give commuters easy access to Alandur metro station will be opened on Tuesday, nearly five years after the station began operations. Chief minister Edappadi K Palaniswami will inaugurate the facility through video conferencing.

Metro rail officials said the FOB has been built at a cost of Rs9 crore and has several features for easy and safe access including four escalators, two elevators, LED lights and CCTV cameras. "The cameras are linked to our screens in our head office at Koyambedu and will be constant-

ly monitored," said an official.

The FOB built on the busy GST Road will link the city's largest elevated transit hub linking two metro corridors in Alandur with the air-conditioned bus stop at Asarkhana and the upcoming inter-modal urban square under Kathi-para grade separator.
