

Metro rail launches AC van from airport to Tambaram

Chennai: Metro Rail introduced an air-conditioned tempo traveller van as an additional feeder service vehicle from Airport metro to MEPZ, Tambaram, on Tuesday. Commuters can use the van at a flat rate of Rs 20. The tempo traveller is available every 30 minutes. Till now, metro rail had been operat-

ing four cabs on the route.

Metro rail also operates five cabs service and one air conditioned tempo traveller from airport metro to Pammal. Other feeder services operated by metro rail include share autos and taxis, small buses by MTC, app-based metro cabs, e-bikes and cycles.
