

# By June, govt will launch Metro rail Phase-2 work

TIMES NEWS NETWORK

**Chennai:** In another four months, metro rail will reach another milestone as a 9km line will link the heart of the city to north Chennai, while construction of the ambitious 118.9km phase-2 will be officially inaugurated.

“The foundation stone laying ceremony will happen in June or July this year. We will also open the 9km line between Washermenpet to Wimco Nagar by June,” said state industries minister MC Sampath, on the sidelines of the inauguration of a
