CHENNAI, MARCH 15

Around 80 students of the Municipal Middle School, Arni, Tiruvannamalai district on Sunday were on a study trip on the Metro as part of Chennai Metro Rail Limited's (CMRL) ongoing initiative of bringing awareness to the students of Government Schools about metro train services and metro stations. According to officials, the trip was conducted for students from Central Metro to St. Thomas Mount and Airport via Koyambedu and Washermenpet to Airport via AG-DMS.

As part of the trip, the CMRL staff briefed the students about the features of the Metro trains and stations.

For the students from a rural area, the trip through the metro train was a novel experience. The trip started in the morning and ended by noon, officials said.

In this connection, students from government, Corporation schools, aided schools in Chennai and students from Tiruvallur, Chengalpattu, Kanchipuram, Tiruvannamalai and Tiruchirappalli districts were taken on educa-
