

Metro rail distributes sanitisers

Chennai Metro Rail along with the state health department started an initiative on Friday to raise Covid-19 awareness among passengers. Passengers at stations like Thirumangalam, Airport, Alandur, Vadapalani, Koyambedu, Egmore and Central Metro were given hand sanitisers and pamphlets on preventive measures against novel coronavirus. In addition, audio messages to raise awareness on self hygiene and benefits of socila distancing are being played regularly in stations and trains.
