

Journey Never Ends

The Times of India and Chennai Metro Rail Limited in association with Sundar Diabetics Dezire, Sharon Ply and Sterill-G brings in 'Journey Never Ends', a solid step towards the new normal wherein we all come together to make our favourite city journeys better and safer.

We urge you to sanitize your hands frequently, wear masks and maintain social distancing to keep everyone safe.

Now, with Hand Sanitizer Stands at all the Metro Stations, your travel with Chennai Metro will be Safe & Infection-free.

Let's have a safe and happy journey!
