

CMRL's efforts earn award from World Safety Org

Chennai Metro Rail Limited (CMRL) has been given the International Award 2020 by the World Safety Organisation (WSO), US, for its efforts to maintain safety standards, periodic conduct of safety programmes for its engineers and staff, and ensuring safety of people, property and the environment. WSO presents the annual award to WSO concerned companies or corporations that ensure strict safety standards. Every year, six companies are selected.
