

# PM in city tomorrow, to hand over Army tank, launch projects

TIMES NEWS NETWORK

**Chennai:** Prime Minister Narendra Modi, who is visiting Chennai on February 14, will hand over the indigenously designed and developed Arjun main battle tank (MK-1A) to the Indian Army.

Designed, developed and manufactured by Combat Vehicles Research and Development Establishment (CVRDE) Chennai, DRDO along with 15 academic institutions, eight labs and several MSMEs, Arjun MK1A has completed all modifications and tests for the army. The army had placed an order for 118 tanks.

The Prime Minister will inaugurate and lay foundation stones for a slew of projects at 11.15am at a function.

He will inaugurate the Chennai metro rail phase-1 extension, the 22.1km fourth rail line between Chennai Beach and Attipattu among others.
