

# Metro Rail to operate skeletal services on Sunday

**CHENNAI:** Chennai Metro on Friday announced that it would operate train services every one hour from 7 am to 9 pm on all Sundays in May in accordance with the State government's COVID restrictions.

An official release from the CMRL said that the metro would operate skeletal Metro Rail services on all Sundays in May. The train service from Wimco Nagar to Airport will be operated every one hour. The service from Central to Airport via Koyambedu and Central to St Thomas Mount will be operated every two hours.

There will be no peak hour service. Passengers are requested to maintain social distancing while waiting in the Metro station and during their travelling in the metro trains and request all passengers to cooperate in the fight against the spread of COVID.
