

P.R.No.122/2023

Date: 27.10.2023

Press Release

Swift Road Repair Initiatives, alongside ongoing Chennai Metro Rail Works

Construction work on the Phase 2 project of the Chennai Metro Rail is progressing vigorously at various locations in Chennai. In particular, Chennai Metro Rail Phase 2 works are underway at various places, including Poonamallee Highway, Madhavaram Highway, Tiruvottiyur Highway, Arcot Road, and Medavakkam-Perumbakkam Road.

Presently, 75% of the road construction has been accomplished with 3.7 kilometers of road laid between Poonamallee and Porur Highway. 87% of the road work on the Arcot Road has been successfully executed, encompassing 11.6 km of road. Similarly, 2 km stretch of Medavakkam road has been completed, signifying the completion of 65% of the road re-laying work.

Measures have been taken to ensure that these roads remain accessible to vehicles. Alongside, repair work on potholes and damaged roads in Tiruvottiyur Road, Madhavaram, and OMR Highway has also been completed. Roads that are damaged will be immediately repaired then and there, in places where CMRL construction is in progress.

CMRL is currently repairing all the roads on a war footing basis for the upcoming monsoon season.
