Chennai Metro Rail Limited in association Inter National Association Of Human Values as a part of social responsibility activity conducted a Joy Ride for the blind students of NETHRODAYA in the Metro Train today (18.11.2018) from Thirumangalam to Airport. A total number of 40 differently abled children accompanied with 5 of their teachers and 35 volunteers participated in this trip enthusiastically.

In an attempt to bring awareness about Metro Train to the students of Government Schools across the Metro Rail alignment in the city, CMRL has commenced its monthly educational trip from Central Metro to Airport and AG-DMS to Airport for the students. The features of the Metro Train and its Stations will be explained to the students during the trip.

The educational trips for the academic year 2018-19 commenced from 21.06.18 and around 20,300 students from Government and Corporation Schools have gone on this educational trip till date. In the month of October a total number of 3,090 students travelled in Metro train and were benefitted.
