**Press Release**

**Sub: Corona Virus Disinfectant spray at Central Metro Station and Airport Metro Station - Reg**

As part of providing various amenities and also as a preventive measure, CMRL will be undertaking a disinfectant activity at Central Metro Station and Airport against the spreading of COVID -19 (Coronavirus) against public with the collaboration M/s Ascentya Research and development solutions p Ltd.

M/s Ascentya Research Development Solutions Private Ltd will conduct the task on 14-03-2020 Saturday at Central Metro Station and 15-03-2020 Sunday at Airport Metro after Revenue hours (11pm).

In addition, for the benefit of metro commuters and the public on the Metro train, Corona Antivirus Precautionary messages are being sent as SMS to their cellphones.

Do's and don'ts are published at all metro stations along with the announcements which are regularly made for benefit of the passengers. In addition, CMRL Officials and Staffs have been instructed to register their attendance through register only and bio-metric attendance has been temporally suspended.
