**Press Release**

**Platform Screen Doors (PSD) Contract Agreement signed between CMRL and ST Engineering Urban Solutions Ltd.**

Chennai Metro Rail Limited has signed the contract for provision of Platform Screen Doors System for two elevated sections of Corridor-3 (Sholinganallur Lake to Sipcot 2) & Corridor-5 (Grain Market to Elcot) of Phase-II project with M/s. ST Engineering Urban Solutions Ltd. for a value of INR 159.97 crores.

In the presence of Thiru. M.A.Siddique I.A.S., MD, CMRL, the contract agreement was signed by Thiru. Rajesh Chaturvedi, Director (Systems & Operations), CMRL and Ramaswamy Muthuraman, Vice President/Head PSD, Mobility (Rail & Road), ST Engineering Urban Solutions Ltd.

The scope of work involves provision of half height Platform Screen Doors system for 36 elevated stations. CMRL will be introducing half height platform screen doors for elevated station platforms to facilitate driverless train operations. This will augment passenger & operational safety.

The works to be executed under the contract include design, manufacture, supply, verification, delivery, installation, testing, commissioning, training and providing technical support for a complete integrated Platform Screen Door System, including all control centre, platform, equipment room sub-systems and associated interfaces.

Thiru. A. Sankaramurthi (Dy.Advisor S&T, CMRL), Thiru. C. Murugamoorthy (Team Leader, General Consultant), other senior officials of CMRL and M/s ST Engineering Urban Solutions Ltd. were present during the occasion.
