

Press Release

Extension of Metro Train Services and additional Metro Train Trips during evening peak hours on 20th, 21st and 22nd October 2022

On account of Deepavali, Peak Hour Metro Train Services will be extended till between 5:00 pm and 10:00 pm instead of between 5:00 pm and 8:00 pm on 20th, 21st and 22nd October 2022 with a headway of 5 minute.

During the evening peak hour service, passengers will receive increased frequency of train services in less than 5 minutes to enable fast movement of passenger traffic between 5:00 pm and 8:00 pm only on 20th, 21st and 22nd October 2022.

Hence passengers are requested to plan their journeys accordingly during evening peak hours between 5:00 pm and 10:00 pm on 20th, 21st and 22nd October 2022.

The above extension of Peak Hour Metro Train Trips are for 20.10.2022 (Thursday), 21.10.2022 (Friday) and 22.10.2022 (Saturday) only.
