

**Press Release**

**At the ongoing 47th Tamil Nadu Tourism Development Corporation, Island Grounds, Chennai, a replica model of MetroS is kept as the outer pavilion**

The 47th TTDC Fair is currently taking place on Chennai's island grounds. Several departments and private vendors have set up stalls and pavilions at this fair to showcase their milestone achievements to the public.

After visiting the Pavilion, the Directors of CMRL namely, Thiru. Rajesh Chaturvedi, Director (Systems & Operations), Dr. Prasanna Kumar Acharya, Director (Finance), stated,'

Chennai Metro Rail Limited has also taken part in the ongoing 47th TTDC fair by erecting a sprawling MetroS model as a pavilion to demonstrate the various facilities and milestone achievements of CMRL.

The public can visit the stall by entering through a Metro Train model and exiting through a tunnel boring machine designed specifically to attract the public. Several public facilities have been showcased in this pavilion, along with major achievements, models of the Thirumayilai Metro Station's Stacked Metro Station and Tunnel Boring Machine, and maps of currently operational stations.

The public is invited to enjoy the CMRL's illuminated and colourful pavilion.
