

Press Release

As part of the CMRL ongoing efforts to promote cashless transactions, it has been announced that from 19th April 2023 onwards, only travel card will be accepted for using the payments at the parking lots at all the metro stations.

The move comes as a response to the increasing demand for a more efficient, convenient and secure method of payment, as well as the need to reduce the circulation of physical cash. Commuters can obtain the travel card at any metro station counter as well as Station Parking's. The travel card can be topped up at Station EFO/TOM counters and online from CMRL website. Access to the parking lot would be available with travel cards only.

This will provide a range of benefits to commuters, including faster entry and exit from the parking lots, transparency in transactions and the convenience of cashless transactions. We encourage all commuters to obtain travel cards as soon as possible to avoid any inconvenience in parking their vehicles at metro stations.
