

P.R.No.17/2024

Date: 25.01.2024

Press Release

CMRL is constructing Underground Metro Stations at R.K Salai, Thirumayilai and Mandaveli where Tunnel Boring machines (TBM) are going to be retrieved. Traffic was diverted at these locations, after getting traffic permission, from 07.01.2024.

Road users raised concerns about abandoned vehicles and encroachments on diversion roads and other inner roads, deployment of Traffic Police and repairing road damages.

CMRL is coordinating with Greater Chennai Corporation and Police to address the issue of removing abandoned vehicles and encroachments at these places. Additional Traffic Marshalls will be deployed by CMRL at all junctions and diversion points, to assist Traffic Police. CMRL is coordinating with Traffic Police for deployment of more Traffic police personnel to enforce one way traffic properly. CMRL is in discussion with MTC to explore the possibility of introducing Mini bus to reduce the inconvenience to the public.

Road repair works have been taken up by CMRL and good condition of the roads will be ensured. The road repair works will be completed in a week time.
