Press Release

Green Champion Award for Chennai Metro Rail

CMRL is happy to announce that it has been conferred the Green Champion Award, one of the highest honours bestowed by Indian Green Building Council (IGBC) for leading the green MRTS movement in India. The award ceremony took place on 24th November 2023 as part of the “Green Building Congress,” IGBC's flagship conference and expo on the Green Built Environment, held at the Chennai Trade Centre. Thiru. T. Archunan, Director (Projects), CMRL, received the prestigious award on behalf of the organization.

It may be recalled that CMRL has recently been given international recognition for its continued and committed pro-environment initiatives in all its activities. It was conferred the Green Apple Award 2023 - Gold by The Green Organization, London, United Kingdom last week on 20th November 2023 in an award ceremony held at London. Earlier this year, in an award ceremony held in April 2023 at Miami, the USA, CMRL received the Green Champion Award 2023 - Silver for Environmental Best Practice “Carbon Reduction” category.

These awards underline CMRL's position as a leader in promoting and implementing environmentally conscious practices in creating world class transportation infrastructure for the people of Chennai and provide great encouragement to team CMRL and associated stakeholders including its contractors to continue to strive for excellence in quality and sustainable development.
