**Memorandum of Cooperation was signed between CMRL and CIDC**

Chennai Metro Rail Limited (CMRL) and Construction Industry Development Council (CIDC) signed a Memorandum of Cooperation at Metros, Nandanam, Chennai, marking a collaborative effort to advance the Construction and Metro Rail Sectors. The Memorandum of Cooperation was signed by Thiru. T.Archunan, Director (Projects), CMRL, and Thiru. P.R.Swarup, Director General of CIDC.

CIDC, established by the Government of India in conjunction with Industry, serves as the apex representative organization actively engaging various constituents of the Indian Construction Industry. CMRL, the State agency for implementing metro projects in Tamil Nadu, contributes significantly to the development of urban transportation infrastructure. The MOC highlights the collaboration, cooperation, and complementation, aiming to streamline business processes, propagate best practices, and enhance safety, quality, and productivity.

The Memorandum of Cooperation outlines key elements for both parties, prioritizing customer interest through efficiency enhancement, quality assurance systems, environmental protection, and standard operating procedures. It also emphasizes institutional and capacity building activities, holistic human resource development, research and development, task forces, operationalization resources, and infrastructure support.

This collaboration signifies a significant step toward fostering growth and development in the construction and metro rail sectors.
