Date: 31.08.2024

Press Release

Chennai Metro Rail Limited (CMRL) is proud to announce the successful commissioning and inauguration of the 110/33-27 KV Poonamallee Depot Receiving Substation (RSS) in Phase 2 of the Chennai Metro Rail project. The 110KV Poonamallee Depot RSS, a critical infrastructure component providing power supply to Metro Trains & Stations was inaugurated and commissioned by Thiru. Rajesh Chaturvedi, Director (Systems and Operations), CMRL in the presence of officials.

This milestone marks significant progress in Phase 2's execution, demonstrating CMRL's commitment to delivering world-class infrastructure to Chennai, and paves the way for a seamless metro rail experience in the city.
