**CHENNAI METRO RAIL PROJECT RANKS TOP 3 IN NATIONWIDE SAFETY
RECEIVES SURAKSHA PURASKAR (BRONZE TROPHY)**

Chennai Metro Rail Limited has achieved a significant milestone in safety with the prestigious Suraksha Puraskar (Bronze Trophy) at the NSCI Safety Awards 2024. This esteemed recognition was bestowed by the National Safety Council of India, Ministry of Labour, Government of India, for the outstanding safety performance demonstrated at the construction sites of Phase 2. CMRL's ongoing Phase 2 project construction is in full swing with a total of 118.9 kms and 128 Metro Stations.

The award was specifically granted to the UG-01 Package, spanning from Light House Metro Station to Bharathidasan Road Station, which is being diligently constructed by M/s ITD Cementation India Ltd.

Both CMRL and the contractor, M/s ITD Cementation India Ltd., were honoured with the Suraksha Puraskar (Bronze Trophies) for their unwavering commitment to safety. Notably, CMRL was one among the Top 3 during the evaluation and also stands as the sole recipient of this prestigious recognition within the Metro Rail project category across India.

CMRL is committed to maintaining the highest safety standards throughout the construction of Phase 2 and operation of the Chennai Metro, ensuring a safe and secure commuting experience for all passengers

The awards were received on behalf of CMRL by Thiru. P. Kowndinya Bose, JGM (QA-QC and Safety), and was presented to Thiru.M.A. Siddique I.A.S., Managing Director, CMRL in the presence of Thiru. T. Archunan, Director (Projects), CMRL at MetroS, Anna Salai, Nandanam. Senior Officials and Staff of CMRL M/s ITD Cementation India Ltd and GC were present during the occasion.
