

P.R.No.84/2025

Date: 18.10.2025

Press Release

**Changes in Train Service Timings and Frequency for Track Maintenance Activity
between 20.10.2025 and 24.10.2025**

Chennai Metro Rail Limited will be carrying out Rail Grinding Track Maintenance activity on both the Green Line and Blue Line as part of its annual priority maintenance works. This activity is essential to ensure safety, reliability, and smoother train operations.

The maintenance schedule and service changes are as follows:

- Period of activity: From 20.10.2025 to 24.10.2025 (on the mentioned days).
- Timings: Daily from 05:00 hrs to 06:30 hrs.
- Service changes during this period:
 - ✓ Metro trains will operate at 14-minute headways instead of the usual 7-minute frequency between 05:00 hrs and 06:30 hrs.
 - ✓ After 06:30 hrs, normal train services and frequencies (weekday/Saturday/Sunday schedules) will resume without changes on both Green Line and Blue Line.
- These changes will apply only on the sections of the Green Line and Blue Line where the maintenance activity is being undertaken.

CMRL advises passengers to plan their journeys accordingly during the maintenance hours. Track maintenance is very critical for safe and reliable train operations. Passengers are requested to kindly take note, and CMRL sincerely regrets the inconvenience caused.

Passengers are encouraged to stay updated through the CMRL mobile app and official CMRL social media handles. For further assistance, please contact the CMRL Helpdesk at 1860-425-1515 or visit www.chennai-metro-rail.org.

CMRL seeks the kind cooperation of all passengers to ensure safe and efficient metro operations.
