Press Release

Chennai Metro Rail Facilitates Timely Transportation of Donor Lungs for Transplantation

Chennai Metro Rail Limited played a crucial role in supporting life-saving organ transportation from Meenambakkam Metro Station to AG-DMS Metro Station today 8.11.2025, with the recent amendments in Metro Railways (Carriage And Ticket) Amendment Rules, 2023 as per Ministry of Housing and Urban Affairs (MoHUA) guidelines.

The organ consignment team arrived from Bangalore by Air ambulance to Chennai airport and reached Meenambakkam Metro Station at afternoon 02:07 pm. With the support and coordination of Chennai metro rail officials and station staff, the team boarded the metro train and reached AG-DMS Metro Station safely at 02:28 pm covering of 7 stations. The medical team immediately departed by ambulance to Apollo Hospital at Greams road where the lung transplants procedure was scheduled to take place.

Within short time Chennai metro rail could prepare and facilitate them for transportation quickly with the arrangements.

Chennai Metro Rail remains dedicated to serving the public not only through efficient urban transport but also by contributing to emergency medical services and life-saving initiatives across the city.
