**"Music Metro Magic: Sponsored Metro Travel for" "The U1niverse Tour" Live Concert**

Chennai Metro Rail Limited (CMRL) is delighted to announce a special collaboration with KYN Hood Technologies Private Limited, one of South India's emerging event ticketing platforms, to ensure seamless and convenient travel for fans attending the "The U1niverse Tour" Live Concert on 13<sup>th</sup> December 2025 at YMCA Grounds, near Nandanam Metro Station.

As part of this initiative, KYN is sponsoring Metro rides for concert attendees on the event day. Importantly, a unique Metro pass will be generated and distributed by the event organizer through official email and WhatsApp channel to the event attendees. Each unique QR code Metro pass will serve as a Metro ticket valid for one round trip on the day of the event (i.e. 13<sup>th</sup> December 2025).

This means ticket holders can travel from any Operational Metro Station across Chennai to Nandanam Metro Station and back, simply scanning the same QR code at the Automatic Fare Collection (AFC) gates for a hassle-free journey.

To accommodate the return crowd after the show, CMRL is extending train services from Nandanam Metro Station:

- Last train towards Wimco Nagar Depot Metro Station will depart Nandanam Metro at midnight (12:00 AM) on 14<sup>th</sup> December 2025.
- Last train towards Airport Metro Station will depart Nandanam Metro at midnight (12:00 AM) on 14<sup>th</sup> December 2025.
- Passenger entry into Nandanam Metro Station will close 10 minutes before departure of each respective train.
- Passengers heading towards the Green Line stations can only interchange at Puratchi Thalaivar Dr.M.G.Ramachandran Central Metro Station after the regular scheduled services.

This collaboration underscores CMRL's commitment to providing safe, efficient, and innovative transport solutions while supporting cultural and entertainment events in Chennai. By integrating event access with Metro travel, CMRL ensures a seamless experience for concertgoers, enhances traffic flow, and promotes the use of sustainable public transport.

CMRL invites Chennai residents to make full use of this sponsored travel offer and enjoy the music with peace of mind. CMRL also encourages other major event organizers in the city to explore similar collaborations under its Mega Events Ticketing Integration scheme, designed to promote eco-friendly mobility solutions for large gatherings.
