### Press Release

#### CMRL Increases Train Frequency on Blue Line

In view of the increasing footfall on the Blue Line, Chennai Metro Rail Limited (CMRL) is operating additional metro trains to facilitate smoother travel for passengers. These services aim to reduce waiting times at stations and ensure a faster commute during the morning peak hours (8.00am to 11.am) and during the evening peak hours (5.00pm to 8.00pm) has been implemented with immediate effect.

Blue Line (Airport Metro - Wimco Nagar Depot Metro)	Previous Train Frequency (During peak hours Morning 8.00 am - 11.00 am & Evening 5.00 pm - 8.00 pm)	Updated Train Frequency (During peak hours Morning 8.00 am - 11.00 am & Evening 5.00 pm - 8.00 pm)
Airport Metro - Arignar Anna Alandur Metro	6 mins	6 mins
Arignar Anna Alandur Metro - Washermenpet Metro	3 mins and 6 mins	3 mins
Washermenpet Metro - Wimco Nagar Depot Metro	6 mins	6 mins

This initiative is aimed at easing congestion, improving travel comfort, and ensuring reliable and efficient metro services during high-demand periods.

CMRL remains committed to providing safe, punctual, and passenger-friendly urban transportation for the people of Chennai.
