CMRL Signs Contract with Rdx Architects for Detailed Design Consultancy for Property Development cum Entry/Exit Structures at Elevated Metro Stations in Corridor-5 of Phase-2

Chennai Metro Rail Limited (CMRL) has signed a contract agreement with M/s Rdx Architects for providing consultancy services for the Detailed Design Consultant for Property Development cum Entry/Exit Structures of Elevated Metro Stations at Shastri Nagar, Velmurugan Nagar and Thirumangalam in Corridor-5 of CMRL Phase-2.

The proposed development forms part of CMRL's initiatives to enhance the functionality of metro stations through integrated infrastructure and property development. The project envisages the development of property development components integrated with Entry/Exit structures at the elevated metro stations of Shastri Nagar, Velmurugan Nagar and Thirumangalam in Corridor-5 of Phase-2.

The consultancy services were awarded to M/s Rdx Architects at a contract value of INR 1,73,77,034/-. The duration of the consultancy assignment is 150 days.

Under the scope of the assignment, the consultant will undertake preparation of detailed architectural and engineering designs including planning of property development components integrated with station Entry/Exit structures.

The agreement was executed between Thiru. T. Archunan, IRSE, Director (Projects), CMRL and Thiru. K. Nachiappan, Chief Executive Officer (CEO), Rdx Architects. Senior officials of CMRL including CGMs Thiru. T. Livingstone Eliazer, Tmt. Rekha Prakash and Dr. D. Jebaselwin Gladson along with other representatives from Rdx Architects, were present on the occasion.
