CMRL Signs Contract with Voyants Solutions Private Limited for Detailed Design of Property Development above Entry/Exit Structures of Underground Metro Stations in Corridor-3 of Phase-2

Chennai Metro Rail Limited (CMRL) has signed a contract agreement with M/s Voyants Solutions Private Limited for carrying out the Detailed Design Consultancy for Property Development above the Entry/Exit structures of Underground Metro Stations at Madhavaram High Road, Sembiyum, Ayanavaram, Otteri, Perambur Barracks, Purasaiwalkam and Thirumayilai in Corridor-3 of CMRL Phase-2.

The initiative is intended to make effective use of the space available around metro station access structures by integrating property development with the station Entry/Exit facilities. The proposed developments will be located above the Entry/Exit structures of the underground metro stations at Madhavaram High Road, Sembiyum, Ayanavaram, Otteri, Perambur Barracks, Purasaiwalkam and Thirumayilai in Corridor-3 of the Phase-2 network.

The consultancy assignment has been awarded to M/s Voyants Solutions Private Limited at a contract value of INR 2,06,50,000/-. The duration of the consultancy services is 150 days.

Under the scope of the assignment, the consultant will prepare comprehensive architectural and engineering designs for the proposed developments above the station Entry/Exit structures.

The agreement was executed between Thiru. T. Archunan, IRSE, Director (Projects), CMRL and Thiru. Rajesh Medepalli, Assistant General Manager (AGM), Voyants Solutions Private Limited. Senior officials of CMRL including CGMs Thiru. T. Livingstone Eliazer, Tmt. Rekha Prakash and Dr. D. Jebaselwin Gladson along with other representatives from Voyants Solutions Private Limited, were present on the occasion.
