Press Release

Permanent Closure of B4 Entry at Nandanam Metro Station

Chennai Metro Rail Limited (CMRL) hereby informs all passengers and the general public that, due to ongoing Phase-II construction & Integration works at Nandanam Metro Station, the B4 entrance (towards BSNL Office) will be permanently closed with effect from 23rd March 2026.

The closure of existing B4 entry at Nandhanam metro station is essential to facilitate critical infrastructure development and integration works being carried out as part of the Phase-II project, ensuring long-term improvement in connectivity, passenger convenience, and operational efficiency. Further, it is informed that access to the existing Phase-I Nandhanam metro station shall be available through the upcoming metro station entrance opening under Phase-II.

Passengers are advised to plan their travel accordingly and use the alternate nearby entrances, namely A2 and A3 (located on the same side as B4) and B1, B2, and B3 (located on the opposite side of B4), all of which are conveniently situated along Anna Salai. These entrances are fully operational and capable of handling passenger movement.

To ensure smooth navigation, adequate directional signage and guidance boards have been installed at prominent locations in and around the station premises. Passengers may also approach station staff for assistance in case of any difficulty.

CMRL is committed to minimizing inconvenience and ensuring a safe and seamless travel experience for all commuters. CMRL regrets the inconvenience caused by this permanent closure and seeks the continued understanding and cooperation of passengers.
